

YOU CAN HELP!

Your donation to the Rotary Club of Kona supports a variety of initiatives and programs. Our programs strive to improve the quality of life and provide a much needed "helping hand" to the people and organizations of the Kona Community and the Big Island.

The Rotary Club of Kona has recently initiated several new Nutrition Assistance Programs for Kona residents that are in dire need, due to the growing COVID-19 Pandemic.

Rotary Club of Kona

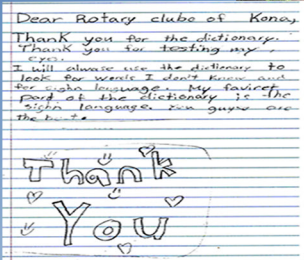

Our club was chartered on February 7, 1948 as the eighth of 48 Rotary Clubs serving the state of Hawaii. Kona Rotary has received numerous awards for leadership in Rotary and in our local, national, and international community. However, Kona Rotary's greatest accomplishment is spreading the concepts of "Service Above Self" to the residents of West Hawaii.

THE CLUB has 5 avenues of service, Club Service, Vocational Service, Community Service, International Service and New Generations.

The Rotary Club of Kona Community Foundation is a 501(c)(3) organization that was established by the Rotary Club of Kona as a conduit for funds donated to the Club. Collected funds are invested and dispersed to the community in the form of scholarships in the most efficient way possible. For the last 30 years Kona Rotary has funded over \$300,000 in scholarships and other projects for local students with zero administration costs.
